

# Open CL-150 Cohorts – Week 7

In March, we announced [Open CL-150 Cohorts](#) to help US Government language programs meet challenges presented by COVID-19.

For the next several weeks, we will release all 36 of that week's Cohort lessons (plus special "COVID-19 News" lessons) for use by any learner, sustainer, or instructor in the US Government language community. You can find prior weeks' lessons here:

- [Week 1](#)
- [Week 2](#)
- [Week 3](#)
- [Week 4](#)
- [Week 5](#)
- [Week 6](#)

**Have you been learning or maintaining your language with Open CL-150 Cohorts the past few weeks? We'd love to hear what you think in this anonymous, [5-minute survey](#).**

**Find your Cohort Lesson from the list below or via the [downloadable PDF](#)\***.

*\*Note: Those of you already using the CL-150 Platform for yourself or your program should ignore this. You already have access to each week's lessons via the CL-150 Platform, and you should continue the same way.*
