Improve your reading and listening skills with ILR 3+ Cohort lessons in Chinese, Farsi, French, Russian, and Spanish.

Each language has 36 hour-long lessons. 3 listening lessons and 3 reading lessons based on authentic sources in each of the following domains: Geopolitics, Economics, Cyber & Technology, Defense, Terrorism, and Crime & Narcotics.

[Enroll now](#) to receive an ILR 3+ lesson to your inbox every week—the perfect reminder for anyone with weekly or monthly sustainment requirements.

Have a DLPT or other test coming up? You can also request an ILR 3+ [Refresher Course](#) for more intensive prep using these lessons.

Explore authentic materials

In each lesson, you'll explore an authentic text or audio clip professionally rated at ILR 3+.

Sources ranging from an op-ed on Colombian tax reform to an interview with a Russian historian about monopolies on natural resources.

The screenshot displays the CL-150 Platform interface for a reading lesson. The top navigation bar includes the CL-150 Platform logo, a mobile access icon, and a learning portal dropdown. The main header shows 'Chinese • Authentic Text' and a progress indicator of '0 % Complete'. The lesson title is 'G7 and the Eight Allied Countries (Reading)'. The main content area contains Chinese text discussing a joint statement by G7 and allied countries regarding Hong Kong. A small image of a meeting is visible on the right side of the text. The interface also includes a 'Reference' dropdown, a search icon, and a settings icon. At the bottom, there is a green 'DONE' button with a checkmark.

Master advanced language features

You'll be exposed to language features like figurative language, idioms, irony, allusion, satire, rhetorical questions, metaphors, and implicit information—all things you'll encounter beyond ILR 3.

- à ce stade de l'histoire

Le spécialiste a expliqué que si l'ensemble de la société ne prenait pas au sérieux l'importance de la coopération régionale à ce stade de l'histoire, l'évolution du Mercosur serait compromise.

Note that here, too, "à ce stade de l'histoire" is loaded with irony by implying that the situation should be better after the long period of time that has already elapsed.

Build vocab depth

You'll also acquire lots of lower-frequency or domain specific vocabulary in topics ranging from military strategy to legal defense to lending markets.

Vocab items are accompanied by in-depth explanations that provide context, additional meanings, literal translations, and more.

Improve reading and listening comprehension

Every lesson includes a reading or listening comprehension activity.

At this level comprehension questions target the features of the text/audio that push it to the ‘+’ level, such as rhetorical devices, implied cultural information, and analysis of the author’s arguments.
